

Information Sheet **Summer Code Camp**

Utah State University
Thursday July 10, 2014

Date/Time

- Thursday July 10, 2014, 9 AM to 4 PM

Location

Engineering Building, Room 307 (ENGR 307), Utah State University, Logan, UT (online [campus map](#) or the **red circle** on the [pdf version of the map](#)).

Participant Drop Off

Drop off participants at the waiting area just east of the ENGR building. You can access this area directly from Highway 89 (400 North). See the **blue circle** on [pdf version of the campus map](#).

Parking

Park in the public visitor parking on either the Aggie Parking Terrace (AGPT; on 700 East) or the Big Blue Parking Terrace (on 700 N; see **purple circles** on [pdf version of the campus map](#)). From either location, it's about a 10 minute walk to the ENGR building. We will give you tokens during the day to pay for parking when you leave.

Carpooling and Driving Directions

Use the [Google Doc](#) if you are looking for a ride to Logan or can offer another participant a ride. Driving directions to Logan and USU are [here](#).

What You Need to Bring

Actually, nothing, except yourself! We will provide all the computers, software, food, snacks, and other materials you will need for the camp. However, should you desire to bring your own computer (Mac, Windows, or Linux), install ahead of time and have ready to use:

- Python version 2.7.8 (<https://www.python.org/downloads/>)
- Sublime Text (<http://www.sublimetext.com/>)
- Excel 2010 or more recent
- Pineview reservoir code and data, <http://jeffh.usu.edu/files/CodeCamp.zip>
- A wireless connection to access the internet
