

New Weather / Climate Forecasts

Future Climate Modeling & Downscaling + Probabilistic Simulation (CI-WATER - Court Strong, UU)

Urban Watershed Modeling (CI-WATER Pomeroy / Burian, UU)

RFC Lumped (Partner)

Distributed (CI-WATER – Burian, UU – ecohydrology model)

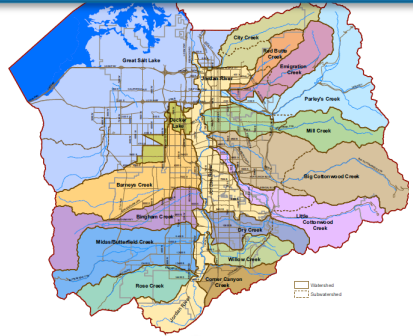

Hydrologic Models

streamflow forecasts

<http://www.hiddenwaters.org/>

climate change flows

Water Quality Modeling (CI-WATER - Pomeroy / Burian, UU)

Operations/Decision Model (Partner)

Planning Model (CI-WATER - Burian / Pomeroy, UU)

Water System Models

Demand Scenarios (Partner)

Outcomes

- Expanded information for:
- water operations
 - long-term resource planning
 - infrastructure upgrades
